SUBJECT AND AUTHOR INDEX

OF THE

INTERNATIONAL SOCIAL SCIENCE JOURNAL

VOLUME XVII (1965)

S U B J E C T S

Aborigines, Australian, demography of, 232-45
Acclimatization and climatic differences, bearing on race, 150-2.
Agricultural Extension Service for French-speaking Switzerland, Lausanne, 690
Agricultural Secretariat for French-speaking Switzerland, Lausanne, 689-90
Anthropological Research Group, Lausanne, 689
Anthropology and history, 561-81
Asian Institute for Educational Planning and Administration, Delhi, 516-17
Asian sociologists, second refresher course for (Delhi, 1964-65), 635-6
Bibliography, select, of demography, 307-31.
Biological aspects of race
  Moscow meeting on (August 1964), 73-84
  Proposals on, 157-61
Byelorussian Academy of Sciences, Institute of Economics, Minsk, 168-9
Canadian foreign policy attitudes, 472-86
Centre for the Study of Developing Societies, Delhi, 169-71
Comparative Studies in Society and History, 'Working Alliance between Specialists', 644-54
Conflict and power in society, 454-71
Cultural determinants and natural selection, 118-20
Cultural relations as field of study and research, 657-64
Demographic variable in assessment of educational needs, 297-305
Demography
  of Australian Aborigines, 232-45
  Select bibliography, 307-31
  Work of United Nations in, 341-8
Economic development of European socialist countries (Plovdiv conference, 1964), 525-8
Economic history, Indian 1600-1947, 635-43
Economic thought, periodization in the history of, 607-34
Educational needs, demographic variable in assessment of, 297-305
Europe, migrations in, 284-96
European Institute of Business Administration, Fontainebleau, 348-51
Evolution
  animal, races in, 121-2, 139-41
  intensity of feedbacks between physical and cultural, 97-9
  links between physical and cultural, 131-4
Family formation, social strategies of, 260-75
Ford Foundation, New York, Population Programme, 355-9
Genetics
  and human psychology, 126-7
  of primitive groups, 147-9
  population, 91-3
  theory, 94-6
Health, economics of, 277-83
Historical change, comparative analysis of, 594-606
History
  and anthropology, 561-81
  and society, comparative studies in, 644-54
  Indian economic, and social sciences, 635-43
  of economic thought, 607-34
  of population and social structure, 582-93
  Weber's philosophy of, 23-45
Housing, economic problems of (Ditchley Park Conference, 1965), 693-96
Human convergence, 104-5
India, economic history of, 635-43
Indian School of International Studies, Delhi, 171-2
Institute for International Politics and Economics, Belgrade, 522-3
Institute for Modern History and Sociology of South-East Asia, Amsterdam, 519-21
Institute of Social and Economic Research, York, 354-5
International Association of French-speaking Sociologists, Fifth Symposium (Quebec, 1964), 368-70
International Development Institute (Honolulu, 1964), 185
International Institute for Educational Planning, Paris, 166-7
International relations as a social science, 442-53
International systems, reality testing and value orientation in, 404-16
International trade, unification of law for (New York colloquium, 1964), 362-6
International Social Science Council, Paris, 506-12
——, Sixth General Assembly (April 1965), 696-7
Language, common bases of, 145-6
Latin America
  internal migrations in, 213-31
  intra-country discontinuities in development (Buenos Aires conference, 1964), 529-30
Latin American Social Science Faculty, Santiago, 518-19

Legal systems, sociological almanac of, 335-8
Major stocks, 124-5
Migrations
in Europe, 284-96
internal, in Latin America, 213-31
Monotypism, 123, 142-4
Nation-building in Western world, 594-606
National income distribution (Palermo conference, 1964), 366-8
OECD Development Centre, Paris, 512-16
Objectivity
and evaluation in social science, 46-63
scientific, and value hypotheses, 64-70
Peace research, 396-403
——, causes, effects and problems, 420-41
——, national and international, 487-501
——, in U.S.S.R., 417-19
Peace Research Institute, Oslo, 172-5
Polymorphism, 123, 142-4
Polytypism, 123, 142-4
Population
and local races, 100-3
estimating size and growth from inadequate data, 246-59
genetics of, 91-3
health economics in conditions of low growth, 277-83
history of, 582-93
Population Council, New York, 359-61
Populationists versus typologists, 94-6, 106-9
Psychology, human, and genetics, 126-7
Race
application of concept to human species, 112-14
biological aspects of (Moscow meeting, August 1964), 73-84 (proposals on), 157-61
differences, bearing of climates on, 150-2
mixture, 135-8
problems of definition, 115-17
process, 91-3
scientific problem of, 85-7
Races
and time, 153-6
geographic, in zoology, 128-30
in animal evolution, 121-2, 139-41
local, 100-3
microgeographic, and isolates, 88-90
Reality testing and value orientation in international systems, 404-16
Research Unit for the Study of Multi-racial Societies, Brighton, 691-2
Royal Institute of Public Administration, London, 175-7
Sierra Leone, economics of health, 277-83
Social Science Research Council of Australia, Canberra, 351-4
Social sciences
evaluation and objectivity in, 46-63
and Indian economic history, 635-43
Social structure, history of, 582-93
Society, conflict and power in, 454-71
Sociology
Max Weber's political, 23-45
Max Weber's today, 9-22
Survey materials collected in developing countries, 665-85
Torcuato Di Tella Institute, Centre for Comparative Sociology, Buenos Aires, 686-9
Typologists versus populationists, 94-6, 106-9
United Nations, work in demography, 341-8
U.S.S.R., research on peace and disarmament in, 417-19
Venezuela, study of tribes in, 110-11
Weber, Max
contribution to evaluation and objectivity in social science, 46-63
his sociology today, 9-22
political sociology and philosophy of world history, 23-45
scientific objectivity and value hypotheses, 64-70
World Association for Public Opinion Research (1964 congress), 530-5
Youth and the development decade, 178-85
Zoology, geographic races in, 128-30
